

The Balance of the Poet

Semantic adventurer
Warrior of thought
Pulling from the parts
Yet envisioning the whole

Stanzas of planned format
Spontaneously leap out of the page at you
Linguistic artist
Imprints her mind on the page

Her brush of words
Paints thoughts and feelings
Showing color and depth
Shaded by grammatics
She paints an abstract mural

Readers drink it in
Enjoy and comprehend
Simultaneous designs
Approach their minds

Subconscious infiltration
She plays educational twister
Words are her allies
She articulates the pieces
So we can see
Into the whole puzzle
